

STELLAR RECEIVES HIPAA SEAL OF COMPLIANCE

Industry-Leading Trust & Compliance

Stellar has attained the coveted HIPAA Seal of Compliance. This achievement follows a rigorous verification of requisite practices and policies defined by the Compliancy Group, the industry leader in HIPAA compliance.

This seal serves as a strong endorsement of Stellar’s capability to handle sensitive information specifically, Personal Health Information (PHI), in line with global regulatory standards for data privacy and protection.

Stellar has demonstrated its ability and readiness to meet HIPAA requirements for protecting Protected Health Information (PHI) under the HIPAA Privacy & Security Rules.

The Rigorous Review Process

In the absence of a federal HIPAA certification, enterprises worldwide rely on third-party accreditation from organizations like 'The Compliancy Group'. Stellar underwent a comprehensive review process to ensure total alignment with the HIPAA Privacy Rule.
